This 3 bedroom, split level, brick home has location and definite potential on its side. A long held and loved family home, time has now come and this presents opportunity. Traditional plan and still very original, there is no denying its time to update & renovate. Front & back patios, built-ins to 2 bedrooms, split system A/C and natural gas heater. Its approx. 840.7sqm's block offers considerable privacy, backing onto school grounds. Single, drive-through garage under, secure fencing & the backyard filled with olive trees. A sound home in the right location, benefiting from vacant possession on settlement. Sure to attract first home buyers and investors, your early inspection is recommended.
