Raman Singh from Bal Real Estate Caroline proudly present to you this spectacular built home that embraces a modern feel with a succession of light filled living spaces. With superior fixtures and fittings all through and a great location, this home is the one you had been looking for all this long. The sustainable design of this home offers a free flowing floor plan which is both practical and aesthetically appealing. Strategically designed to suit growing and mature families alike, this flowing floorplan offers four generous-sized bedrooms, including a master suit , spacious walk-in robe and en-suite, while the remaining bedrooms feature built-in robes are serviced by a central, light-filled bathroom with separate toilet. The open arrangement includes a quality kitchen with stone benchtops, stainless steel appliances and an abundance of cupboard space, all adjoining the family dining. This space is versatile and large enough for the entire family to relax or entertain with friends. When you venture outside, you'll find a backyard that's not just low maintenance but a blank canvas for your gardening dreams. Imagine all the possibilities! Extras features include ducted heating and cooling, double car remote control garage, corner block with potential side access, expansive alfresco area, quality window furnishings throughout, plus much more.
