A lot of thought and care has gone into transforming 55 Salisbury Drive into a home that is not only comfortable but also a place that you will be able to call your own. Even the garden has had a facelift. The back garden is now a space to enjoy the outdoors and fresh air, a safe space for all the family. Inside, it has been freshly painted, re-carpeted, and finished off with new window coverings. The kitchen is now a place where you can create culinary delights, making the most of the new state-of-the-art appliances. I know this sounds hard to believe, but even the bathroom has been revamped. You won't be able to wipe the smile off your face when looking into the mirror and thinking, "Wow, is this really all mine?" Featuring: • 664sqm (approx.) block of land • New window coverings • Workshop • Separate dining area • Reverse cycle air-conditioning • Private backyard Get in touch to arrange an inspection of this phenomenal property today!
