Located on the edge of Foster township on a 'no through' road, this three bedroom plus study brick veneer home positioned on an approx 1,650m<sup>2</sup> allotment is perfect for anyone wanting their own private haven or space. With well landscaped with mature gardens, gravel driveways and easy access the home features a spacious timber kitchen with electric cooking and generous storage space, timber lined lounge with both solid fuel heating and reverse cycle heating/cooling, a study, three bedrooms all with built in robes, modern bathroom comprising of a vanity and shower, separate toilet and laundry. Externally the home has a single carport, circular driveway, large steel lock-up garage with concrete floor & power that is perfect for storage, second toilet in the garage, and well established gardens. A private and rare property that is perfect for people that need to store boats, caravans or other vehicles and is well worth an inspection. Located opposite the Whipstick Gully Nature Reserve making an ideal spot for exploring the walking tracks and peaceful natural bushland, yet only a short walk into town.
