Offers Above \$385,000

Moved to Maryborough, from Croydon Junction in 1918 by bullock dray, this home could tell a few tales. Features include a wide front verandah that wraps partly down one side. 3 large bedrooms plus sleepout and a separate small room that would make an excellent office. A spacious lounge area, rear sunroom and a generous dine in kitchen complete the picture. The roof has been replaced at some stage and presents in good condition. A few cosmetic touches would quickly restore this charming home to its former glory. Situated at 550 Alice Street, this home is very conveniently located to Sunbury School, convenience store and Maryborough golf course. The 911 metre allotment boasts a steel shed and lovely established mango tree. The current owners are looking for offers above \$385,000.
