\$1,018,000

Absolutely one of a kind, this remarkable home on 650sqm of land (approx) is absolutely perfect for growing families with its expanded single-level design, impressive modern features and terrific outdoors to enjoy. Quality at every turn, the home's inviting interior showcases a large master bedroom with fitted WIR and its own deluxe ensuite, as well as three additional bedrooms and equally-stylish main bathroom complete with composite-stone freestanding tub. The versatile living room includes a drop-down projector and leads through to the light-filled open dining area adjoined by a superb stone-bench kitchen with Blum soft-close cabinetry, high-end European cooking appliances and integrated Fisher & Paykel double dishwasher. Other highlights include split-system heating/cooling (x3), 6kW solar power, solid bamboo floors, family-sized laundry and excellent storage options, along with a suite of high-tech home automation features (whole home lighting, remote-access security system, CCTV, integrated data/WiFi and audio speakers both inside and out). Bi-folds reveal a fabulous entertaining deck and sunny north-facing backyard with outdoor spa and cubby house, plus the unique advantage of fully fitted-out home office and oversized four-car garage/workshop (remote-control) via gated side driveway. A short stroll to the bus stop (on Fullarton Road), it's also close to Keilor Park Preschool, Fosters Road shopping village, local parks and Steele Creek trails, as well as easy access to a range of schools, Westfield Shopping Centre and the Calder Freeway.
