\$1,289,000 to \$1,389,000

Renovating a period cottage can be taxing but the hard work has all been done for you in this newly transformed, wooden cottage which creatively fuses country charm and contemporary style. Also boasting a bonus, self-contained studio for additional income or extra accommodation, this cute and cosy cottage in the heart of historic Moss Vale will engage and delight you with a welcoming warmth and a refreshed ambience that promises a Highlands lifestyle filled with grace and joy.- The cottage has been lovingly and thoroughly refurbished but without sacrificing its traditional charm, with lofty ceilings, an elegant hallway and earthy, timber flooring celebrating old world charm- The main bedroom offers robing and a beautiful ensuite- Three other generous bedrooms, serviced by the strikingly restyled main bathroom with a luxuriously deep, freestanding tub and large rain shower - Deliciously large country kitchen with alluring wooden benches, premium appliances, oversized oven and abundant storage- Living and dining area warmed by a cosy fireplace- Rear, north-facing verandah for quiet relaxation - Separate, self-contained garden studio, construction complete 2019, offers two bedrooms, living area, expansive, glistening kitchen, sparkling bathroom, laundry space and sun patio – ideal for extra income or accommodation for a relative or teenagers - Two-car garage with handy, side driveway access off the main roadThis wonderful property, close to cafes, shops and the renowned Birch Store, offers a beautiful blend of relaxed, contemporary living and country charm, with the added scope of a well-equipped studio. Move in and enjoy! For further information, call Claire Douch on 0476 779 449 or Doug Drysdale on 0422 301 913.
