$1,500,000

This architecturally designed home, custom built by Lennox Homes and completed in June 2022, is a superb family package. It offers generous accommodation, up-to-date finishes and great outdoor entertainment areas all of which highlight its excellent lifestyle appeal. The bright dual-level layout has been designed to provide an easycare living environment where space, convenience and privacy all come together perfectly, plus it sits on a great-sized garden block with a sundrenched front yard. This popular Lennox Head neighbourhood is 600m stroll to Epiq Marketplace, and just 5 minutes to Seven Mile Beach, village cafes and local schools.- Entertaining is effortless in the sheltered patio overlooking the pool- A generous two-storey design featuring living spaces on both levels - Private and sunlit front lawn, outdoor shower plus landscaped gardens- Bright open plan family space that opens seamlessly to the outside- Three bedrooms are on the upper level, the master has a WIR and ensuite- Ground floor guest bedroom with ensuite - could be used as a home office- Contemporary kitchen with high quality appliances and breakfast island- A double lock-up garage with storage space and direct internal access- Ducted air-conditioning, solar panels, fans and plantation shutters
