An award winning 'Seaspray' design by renowned local Master Builder, Phil Anstey, this freestanding duplex home offers the perfect blend of practicality and style. Private and elevated, this spacious high set home was constructed in 2005 and has been meticulously maintained. On the lower level you'll find 2 spacious bedrooms, bathroom and a generous sized living room that opens to an alfresco area overlooking the beautifully landscaped gardens. Upstairs features stunning Tassie Oak timber floors, high ceilings, main bedroom with ensuite and a functional kitchen, perfect for the chef of the house. A spacious, airconditioned living room flows through to a covered entertaining area, providing the ultimate balance of indoor/outdoor living. Soak up the sun on the north facing wraparound deck that adorns the front of the home and also allows for ample natural light throughout the upper level. This is your opportunity to enjoy a low maintenance lifestyle in one of Pottsville's best streets. Just minutes from all of the towns amenities, the beach and the estuary, the property has easy access to the M1 motorway with the Gold Coast International Airport and the Tweed Heads CBD just 20 minutes away. Surfers Paradise is just under an hour to the north while Byron Bay is 30 minutes to the south. All in all the location is fantastic!!
