Located south of the highway, in a perfect central position, this three bedroom home has a distinctive character and street appeal. Retaining many of its original features such as ceiling roses, ornate glass doors, chimneys and potentially rare Jarrah flooring throughout, the property dates back to the 1930s. Recent upgrades include electrical works and a heating and cooling split system. With a few additional renovations, this property can be tailored to suit a wide range of buyers, whether you're looking for a vacation home, a bed and breakfast, an investment property, or simply a unique central residence. The original old shedding out back includes a carport and sundry shedding. If you would like more information or to schedule a viewing, call us at Homeseeka Real Estate today.
