Unit overlooking the pool in this sought after complex - Regency Gardens. Superbly positioned just a short stroll to shops, medical facilities, cafes and restaurants, schools, gym and transport. This spacious single level property feels like you are in a house not a unit as it is attached to only one other property and has plenty of land to the side. The neat unit has been all decked out for comfort and security. Offering open plan living, 2 bedrooms with built in cupboards and two outdoor undercover living areas. Other great features include a modern 2-way bathroom with shower, built-in-robies in both generous sized bedrooms, aircon, newly tiled and painted throughout. Within this well established and maintained living environment, there is a great in-ground swimming pool and BBQ area. Low body Corps are also a great advantage.
