Imagine a gorgeous post-war cottage with a study and guest sleepout, alfresco entertaining, veggie gardens, aquaponics and a tiki bar – yes, this Carina Heights stunner truly has it all! Nestled on a family-friendly street, it is only moments from bus services, Westfield Carindale, golf clubs, schools and a short drive to the Gateway Motorway and Brisbane City. From the moment you arrive, this property has a welcoming and homey atmosphere that makes you want to stay longer. At the front is a lounge with polished pine floors, high ceilings with ornate cornices and air-conditioning. Towards the rear is the modern kitchen offering plenty of bench preparation space, a gas cooktop, oven and dishwasher. The home has three bedrooms; the main bedroom features a built-in robe and air-conditioning. Steps away is a lovely family bathroom with a shower over a spa bath. Down the back steps is the laundry, a private office plus an attached sleepout built under the house. It's a great getaway for guests (who perhaps want to savour one last drink) to spend the night in complete comfort. Outside is a covered patio with an integrated barbecue, a groovy tiki bar for the cocktail artist to make their favourite drinks, and a fire pit area to enjoy crackling nights. There is a chicken coup for the feathered ladies to explore, raised veggie gardens and an outstanding aquaponics set up with fish that keep the water to the herb garden fresh and full of nutrients – it's a whole ecosystem in itself! There is a single carport plus enviable side access with plenty of parking off-street, the home is fully fenced and has solar panels to cut energy costs. You will love this position – situated within walking distance of buses, bikeways, parks, Winstanley Street shopping and metres from Westfield Carindale. Enjoy a weekend hike through Whites Hill Reserve, local golf clubs, sporting fields and more! You have a choice of state and private schools including San Sisto College and St Martin's, plus various childcare centres. It is close to major arterial roads, the Gateway Motorway, Brisbane Airport and the city!
