This home is ideally located literally a stones throw away from the Minerva Rd local corner shops, local primary and secondary schools, as well as great local transport, it doesn't get any better than this! The home itself is an older one, but has been maintained to a reasonable standard and is priced really well for the area and what it offers. The property itself features; *Three spacious bedrooms, two with large built in robes *Kitchen with gas cooking and ample storage *Large meals/living area *Central bathroom with corner shower and separate bath *Undercover outdoor entertaining area *Large double garage with separate storage shed Run, don't walk, well located homes such as this don't last long!
