This architect-inspired masterpiece has left nothing undone in its quest to provide a world-class statement in luxury living and spectacular entertainment. Soaring across multiple levels with awe-inspiring high end finishes no expense has been spared. Featuring multiple living spaces, designer chef's kitchen, built in study, powder room, four bedrooms over two levels as well as impressive master suite with bench seat upon entry, walk in robe with beautiful cabinetry and luxurious ensuite complete with double shower head, stand alone bath and stunning curved walls. The lower level showcases polished concrete flooring, an open plan kitchen, living and dining area, floor to ceiling glass sliding doors flowing to a sunny fully fenced backyard, undercover entertaining and pool. Located within an easy walk to Shelly Beach and Shelly Beach Golf Club makes this home the perfect coastal retreat. It features a sunlit terrace over-looking the in-ground magnesium mineral pool and fully fenced yard making it perfect for entertaining family and friends. Unquestionably one of the finest residences in Shelly Beach this is a sanctuary where families can relax or entertain. - Light filled living room with gas fireplace, floor to ceiling windows and glass doors- Family room on upper floor flows to undercover balcony over-looking the pool and backyard- Gourmet Stone island kitchen boasting walk in pantry with stone benches and chic cabinetry, Smeg appliances and impressive tapware- Four good sized bedrooms all boasting high end built in robes- Ducted air conditioning, heated flooring in all upstairs bathrooms, American Oak flooring and keyless entry- Garage with impressive automatic garage door and internal access
