David Snow

Private Tender closing 7th December at 12pm

Boasting an outlook over Queen's Park, retaining much of it's original charm and grace, this 1920's timber home features 11 1/2' ceilings, beautiful timber floors and several fireplaces. The current floorplan consists of six bedrooms and five bathrooms, a formal dining room, spacious living room and many other spaces. The home is surrounded by a white picket fence with an abundance of off street parking. Positioned in an unbeatable location, so close to the CBD, cafe's and schools. For sale by private tender with offers to purchase closing Thursday 7th December at 12pm
