Located on the border of popular Woorree and Deepdale on Polo Road is this renovated 3 bedroom home with lots to like and nothing to do. Built in 1986 it has undergone a complete transformation with modern décor throughout including a brand new kitchen and new expanded bathroom. Modern floor tiles throughout and the once dark lounge room/dining/kitchen is now an open bright area that has become the hub of the home. The verandahs wrap around the home to keep it cool in the summer, in addition to more entertaining room and at the rear fantastic views of the Moresby Ranges. The shed too has had an incredible facelift and the double carport/lean to off it, gives scope for enlarging the shed.
