Big, broad and beautifully renovated, this is an entertainer's dream in kids' paradise gardens! Offering something for everyone on a wonderfully wide family block, this three bedroom, 1.5 bathroom home offers twice the life with stylish interior living virtually doubled by a newly re-floored entertainers' deck & a dual-duty double-plus garage/mancave with woodfire heater...all set in kids' paradise gardens with a playground-worthy playspace! Move in and relax, there's nothing more to do here but entertain around the Caesarstone and Bosch appliance kitchen (with high-end Series 6 dishwasher), kick-back with a lush garden view through an immense picture window, and appreciate the ease of a large central bathroom plus a second WC. Styled with authentic Australian hardwood floors, new block-out blinds, and big built-in-robies for each bedroom, this full-block family entertainer is fully appointed (with ducted heating, additional reverse-cycle air-conditioning and a warming open-fireplace) ...and filled with at least four carspaces behind secure auto-gates. Surprisingly central to it all, just four doors to the 'secret' lane to Highett Reserve (and Waves Leisure Centre and Southland beyond), this entertaining family paradise even has a heavenly location; just two blocks to Highett Rd's shopping strip, a quick walk to the station, and just one stop down the line to Southland.
