\$700,000 - \$770,000

Family living is beautifully perfected in this 4-bedroom plus study, 2-lounge home, offering a space of family sophistication just moments from Findons Creek and Glowrey Catholic Primary. Refined and spacious interiors with a magnificent separation of space make everyday life a breeze, with a unique entertainer's terrace perfect for casual entertaining. Contemporary, easy-care landscaping covers its entire 448 sq. metre (approx.) allotment, housing a brick facade with striking tropical gardens adding a sense of privacy. A formal lounge precedes a hub for family life in the open family and dining area, where a stone kitchen enhances the cooking experience and a central gas fireplace adds a warming touch. Alfresco life is effortless on the unique covered deck with its full-sized outdoor kitchen and faux grass gardens, spreading out through sliding doors to the afternoon sunlight. The designer ensuite bathroom of the master suite is a sight to behold, matched in vogue by the family bathroom serving the three remaining bedrooms and open study. A desired family lifestyle sits a short walk from Pine Park Playground, Glowrey Catholic Primary and the upcoming Wollert Central Primary, with a short drive taking you to Al Siraat College, Wollert primary and secondary schools, Epping North and Aurora Village shopping centres, Harvest Home Recreation Reserve, Epping Plaza, and Hume Freeway. Additional features include an open home office evaporative cooling, ducted heating and a double garage.
