Upon entry it is immediately evident that this is not just another Brighton property. Presenting as new and exuding quality fittings and fixtures throughout, this property offers a generous floor plan and a stylish home to be proud of. Positioned to capture all day sun, and complimented by reverse cycle heating & cooling, the open plan living area is larger than most, and incorporates the stunning chefs kitchen featuring island bench and Artusi appliances including induction cooktop and dishwasher. The kitchen offers fantastic storage with the added bonus of a butlers pantry. All three bedrooms offer built in storage, with the main complete with walk in robe and ensuite bathroom. The family bathroom includes separate shower and bath, and completing indoors is the separate toilet and laundry facilities. The oversized garage has a remote door and offers internal access to the home, along with access to the rear yard which is completely level and fully fenced. The yard has been fitted with a fully automatic irrigation system, keeping this low maintenance quality gem easy to manage and maintain. Located just 30 minutes to the Hobart CBD, Brighton continues to be a popular choice offering quality schooling, shopping and an easy commute to surrounding suburbs and services. If you are seeking a stylish well built and maintained quality home, then do yourself a favor and put this one on your list, you won't be disappointed.
