This mid renovation home is up for grabs located opposite a park ( playground you don't have to mow) it's positioned close to schools, Bunbury town and much more. The home is on a 728 sm<sup>2</sup> block with side access and a huge shed with double roller doors, pa door, fully insulated and powered. The home has lovely street appeal with manicured gardens and lawns out the front. The front decking leads you to a lovely entry into the front family lounge. The lounge room has been finished off with stunning polished floor board, a wood fire and classic character lead light windows keeping with the era of the home with a modern twist. The master bedroom is styled with a wood panel feature wall, white French doors to the front deck and a large walk in robe. The home is mid renovation with the kitchen, bathroom and spare bedroom needing a new look. The back yard is a blank canvas with side access and no gardens you can create your own oasis with room for a pool, fire pit and SO much more. The shed is amazing, fully insulated, power and 2 roller doors for drive in access. Be quick and register your interest with Ned
