Offering elite lifestyle convenience on the doorstep of Camberwell Road trams, cafes and shops, this delightful single level, semi-detached Art Deco residence beckons first homebuyers, downsizers, young families and renovators alike, with future scope to revamp/extend (STCA). Soaring period proportions and timber floors introduce a low maintenance floorplan, comprising spacious zoned living and dining rooms featuring an original open fireplace and abundant afternoon sunlight with leafy outlooks. A sizeable central kitchen offers plenty of space to redesign, opening out to a separate laundry and toilet and a large wrap around courtyard and garden. Two generously sized bedrooms relish northerly light, serviced by a central bathroom with bath. Includes secure garage parking and an additional off street car space, enviably placed moments from parks, Hartwell station, Camberwell Junction shopping, restaurants and entertainment plus myriad schooling opportunities such as Hartwell Primary School, St Dominic's Primary School, Camberwell South Primary School, Siena College and Camberwell High School.
