You will LOVE this beach home that sits just 9 homes back from Casuarina's pristine beach if you are looking for: A pristine, spacious single level home Large garden with a magnificent pool Hardwood floors and vaulted ceilings with abundant natural light Secluded, quiet master with spacious walk in closet and direct outdoor access A freshly renovated and well considered kitchen Covered outdoor area facing north 6.6KW Solar System Space for a caravan or boat to the side of the driveway The owners have clearly loved this home, kept it beautifully maintained and renovated areas that leave little to do other than move in and start living the beach lifestyle you've dreamt of. This home captured my heart upon entry, as it will yours too. You are drawn in with beautiful timber floors, high vaulted ceilings in the entry and passage with light flooding the spaces. A fresh, new kitchen and personal updated touches throughout the home make it very inviting. The master is quite the "retreat space" with direct access to a beautifully landscaped garden and oasis pool area. The walk in robe is surprisingly large and will accomodate clothing you don't want to part with. From the generous open plan living, dining and superb kitchen to the magnificent garden and private green belt beyond, 566 Casuarina Way will not disappoint upon inspection. 5 Mins to Tweed Hospital 15 Mins to Gold Coast International Airport 30 Mins to Byron Bay Walking distance to Coles Precinct with cafes and retail as well as Kingscliff and Cabarita just a short bike ride away The EOI runs till May 31st upon which time the owners will consider the various offers made.
