In a family-focused neighbourhood with Milleara Shopping Centre around the corner, this double-storey home delivers a brilliant low-maintenance lifestyle thanks to its adaptable design, quality enhancements throughout and terrific outdoors to enjoy. Nothing to do but move in and start living, the light-filled interior comprises three bedrooms (large master) all with mirrored robes, as well as a deluxe ensuite and equally-stylish main bathroom - both with stone-top vanities, rain-head showers and floor-to-ceiling tiles. Further adding to the appeal is a spacious front living room leading through to the open dining area adjoined by a modern kitchen complete with soft-close cabinetry, stainless-steel cooking appliances (900mm) and dishwasher. An impressive features list includes split-system air conditioning, high ceilings with efficient LED downlights, integrated audio speakers, Hills alarm system and motorised roller shutters, as well as a full-size laundry and third WC. Step outside to discover a fabulous alfresco entertaining area and private courtyard surrounds, plus the added advantage of an internally-accessed garage (currently converted into a studio) and additional driveway parking space. Also close to a choice of bus routes, local parks and playgrounds, riverside trails, popular schools and kinder/childcare facilities, as well as easy access to the Western Ring Road and Calder Freeway.
