Available in the Harbour or Signature Collection, this two-bedroom residence provides an exquisite sanctuary that immerses you in the vibrant Barangaroo lifestyle. The combined living and dining space sets the tone for the entire home - welcoming, generous and sophisticated. The vision for this building has been shaped by nature and infused with light. Blending a sophisticated palette of materials with arresting design, Darling Associates' execution of the Harbour Collection is in thoughtful response to the horizon views, reflected in the tranquil spaces achieved throughout. State of Craft's design methodology for the Signature Collection centres around the intent to design effortless, flowing spaces that integrate finishes from a vast palette of raw and untamed, precious and refined materials. Complementing One Sydney Harbour is a curated collection of luxury amenities that have been comfortably appointed to be an extension of your home. From indoor and outdoor swimming pools, to the decadent jacuzzi space and steam room, or the private residents' lounge, One Sydney Harbour's collection of luxury amenities provide the perfect opportunity to entertain, unwind or recharge. One Sydney Harbour is the final opportunity to make this exclusive address your home and become a part of Barangaroo's extraordinary legacy. For more information, please contact Richie on 0449708109
