Reminiscent of a bygone era, this charming Buderim family home is a wonderful trip back to a time of family, friends and simple enjoyment. A contemporary version of the original home, it holds a traditional old world appeal that is rarely available in today's market. Generously proportioned across two levels of living, the home consists of 3 bedrooms, double size office, three bathrooms and double garage, located within walking distance of the famous Buderim Village. Separate living spaces across the levels are a standout feature. The upper level contains all bedrooms, main bathroom and ensuite, open plan living, dining and kitchen areas leading seamlessly to the wide north facing verandahs showcasing the views to Mt Coolum and the Coral Sea. The ground level provides a media room, double office and downstairs bathroom, with access onto the lower verandah and huge flat yard. In keeping with the style of the time, you will adore some of the following features:- Stunning timber flooring with high VJ ceilings - Beautiful 5 light casement windows & pull cord switches for lighting- Eave line bay windows in bedrooms with gorgeous fretwork- Colonial style bathrooms - French doors to wide verandahs with traditional dowel balustrades- Double entry external staircase A longstanding and classical Buderim home of this quality is rarely seen in today's market and is will be snapped up quickly. Call Bevan and Brenden now for your opportunity!
