\$289,000

Large 2345m² corner residential block in the heart of Howard. Conveniently located within walking distance to the local shops in the delightful village of Howard, this block is a great place to build that family home, you have been dreaming of and still have room to build a shed or man cave. With power and town water available to be brought in from the road. Take a drive by and you will see the potential this block has to offer, then drop into our office or give us a call to secure this block for your future.
