A delicious hybrid of contemporary urban living and a tranquil, riverside setting, this sophisticated 2 bedroom features a stunning open-plan kitchen / meals / living with stone benches & SMEG appliances, a decadent east-facing balcony with leafy views, ensuite and robes. This clever layout with bedrooms at separate ends of the living area (2nd bedroom with adjacent bathroom and Euro laundry) includes loads of extra shelving throughout perfect for a home office set up and even extra built in fridge/freezer in the hallway. With secure underground parking, an indoor lap pool, spa, gym, vast communal recreation spaces, elevator and secure video entry, all aspects of the busy, inner-city lifestyle are well catered-for. The cosmopolitan attractions of Bridge Rd lie within walking distance, whilst the CBD and MCG are moments away by tram.
