Nestled harmoniously within its natural surroundings, beautifully secluded from the roadside by a row of greenery. Enjoy the convenience and charm of this newly renovated family home. Bathed in natural light, spotted gum floors offer an earthy hue. Immaculately presented the design offers four generously proportioned Bedrooms, each feature built in robes, the master suite is a haven to retreat, complete with walk in dressing room and full ensuite. Living areas effortlessly connect flowing from the lounge to a spacious rumpus that opens to a sun-soaked entertaining zone. Clever design ensures privacy is achieved with a push of a door. A stone appointed kitchen with quality appliances takes centre stage and provides ample workspace. Thoughtfully planned the entertainment deck with spa overlooks the sun-drenched swimming pool and day room. A separate workshop with high clearance is the perfect place to tinker or entertain on these wet days. For those wanting to work from home a separate office/studio offers the right ingredients for productivity. The family haven includes a paddock to keep a pony or two. Fronting a sealed roadway on the edge of town this is semi-rural living with the utmost comfort.
