Distinctive and desirable all the way from its stacked stone entrance and elegant façade to the low-maintenance landscaping of its welcoming rear courtyard, this three bedroom, two bathroom address delivers superlative single level style. Large enough to convey all the character of an established home, compact enough to offer exceptional ease and convenience, the spaces include inviting living and dining areas that surround an open-plan kitchen featuring a quality combination of stone benches and stainless steel appliances. The main bedroom's walk-in robe and ensuite conveys the complete modern comfort that also defines two additional bedrooms and a central bathroom equipped with a separate bath and shower. Courtyard entertaining and a secure garage complete this ideal picture, moments from Vernon Street's village hub and highly regarded eateries including Dukkah and Motorino Pizzeria.
