\$720,000

This cute property on Country Club Drive is a perfect first home with a good sized block, lovely outlook, and a great location. There are some updates inside and plenty of scope to further renovate and make the most of the split level design with soaring ceilings and lots of sunlight. The kitchen has soft close drawers, stainless steel appliances, and a breakfast bar joining the dining area and overlooking the lounge below, keeping everyone connected. In the lounge, cosy up on the couch and watch the sun set behind the hill, or venture out to the covered deck and take in the view and the tranquility of this quiet locale. The well-sized master bedroom with built in robes and scenic outlook is privately placed at the rear and the other two robed bedrooms are upstairs along with the family bathroom, separate toilet, and laundry leading to the front deck and single carport. The enclosed backyard is simple lawn with a garden shed, an easy-care pocket of privacy or a blank canvas ready for a green thumb to get creative. Walking distance to Chirnside Park Country Club, Preschool, playgrounds, neighbourhood shops, and close to Chirnside Park Shopping Centre, Lilydale Train Station, and bus links, this is a well connected position for a wide range of lifestyles. SMS '57CCLUB' to 0488 824 387 for more information.
