Boasting an adaptable layout catering to the needs of a growing family, this exquisite home blends modern elegance and thoughtful design in a serene Sandarra setting, orienting its layout towards the northern sunlight to illuminate its refined finish. Established gardens enhance its curb appeal while providing an idyllic shield of privacy, preceding a spacious layout mixing everyday luxury with functionality. Incredible space is offered in the carpeted lounge, versatile theatre room, and open family and dining area, served by a stone kitchen with a new Smeg gas cooker and a dishwasher. A covered entertainment area creates a space for year-round enjoyment with Ziptrak blinds, overlooking a faux grass yard with a semi-rural essence from the adjacent farmland. The main bedroom also features sliding doors to the patio, plus a walk-behind robe and a twin-vanity ensuite. Two additional bedrooms are placed around a central bathroom and toilet, while the enclosed theatre room is easily adapted as an additional bedroom. Complete with evaporative cooling, ducted heating, a 5kw solar system, and a double garage, it delivers the pinnacle of comfort and style mere moments from Sandhurst Club, Local Village shopping, buses, Carrum Downs schools, and easy freeway access.
