This may be the "Very Best" residential subdivision you will ever find anywhere in the Southwest! At never to be repeated value. Nestled between glorious stands of natural bush with undulating green farmland this mature subdivision boasts the very best homes in the district, you will never find a better place to reside and build your dream family or retirement home. The warbling of the magpies and joyous chatter of the kookaburra only enhance the perfect parkland/bush setting with resident kangaroos and willy wag tails entertaining you every day. Less than one minute from the centre of town this 1062m² prime lot with 24.5 meter frontage and quality alignment North /South is a prized building site and this blank canvas beckons your soul. With homes rapidly being erected...Be sure to secure your home site today. Featuring underground power and NBN, and directly opposite over 15,000m² of natural bush and walking trails. You need to stake your claim in this beautiful tranquil community minded, orchard capital of WA today!
