\$518,000

One of Craigieburn's most popular neighbourhoods provides the perfect setting for single-level home delivering a family lifestyle of immediate enjoyment and exceptional urban convenience. Beyond the picket-fenced garden and period-inspired facade, discover a welcoming interior comprising 3 bedrooms (large master) all with built-in robes, as well as a two-way central bathroom and separate WC. Adding to the appeal is a formal dining (or lounge) through to the light-filled open living/meals area with feature bay window and adjoining kitchen complete with gas cooktop and provision for dishwasher. Other highlights include ducted heating, split-system air conditioning, new carpets and family-sized laundry, plus a substantial backyard with handy garden shed and remote-control double garage with internal entry. Moments from Fairways Lake Reserve, The Greenway Reserve and bus stop on Fairways Boulevard, it's also close to Greenvale Lakes Shopping Centre, along with a choice of schools and popular kinder/childcare facilities.
