FOR SALE!

Every now and then a home like this comes to the market. It is our pleasure to present to you 57 Lockheed St Raby. The lucky purchaser will enjoy sensational views, a peaceful and quiet cul-de-sac location. Easy walking distance to both Raby shopping centre, Eagle vale Shopping centre, and both primary and high schools for the kids. The M5 on ramp is only a 1 minute drive to get to for those commuting to work, and with the property being located at the top of the cul-de-sac, kids can safely ride their bikes and scooters out the front or even enjoy a game of street cricket! The property itself is a well constructed private built home and offers plenty of potential to add extra living spaces behind the huge double garage, as the property sits on bearers and joists. There are internal stairs from the garage to the the living and sleeping quarters upstairs, which makes this a very possible option to add a separate in law or teenage retreat, or simply to expand the home! Upstairs offers three living zones in formal lounge room, meals area, plus a large family room off the kitchen. There is a separate study set up as a kids gaming area!! but this room could also be quite easily be converted to a 4th bedroom if needed. The master suite is large and spacious with gorgeous big windows that soak in the view, and is complete with walk in robe and ensuite bathroom. The remaining rooms are also a good size and feature built in robes. The entertaining options are fantastic at 57 Lockheed St with a big inviting covered timber decking area ideal for the summer bbq and there is a low maintenance yard with big side access for those with trailers, boats or caravans. There is much to love about this property! we really can't wait to show you! Call Murray on 0410000620 for more information or to arrange your inspection today!
