Located in a quiet pocket of Echuca is 57 McKenzie Street on a 583m² (approx.) allotment. Only a short walk to the Haverfield shops down the road or a 5 minute drive to Echuca CBD. Inside the home, a light bright colour scheme above recently installed floating floors. The first of three bedrooms is situated at the front of the home with a captivating corner window to fill the room with natural light. On the opposite side of the room, there are wall to wall built in robes with a mirror nook in the centre. The remaining two bedrooms have built in robes, one of which also has a neat study nook. These are either side of the main bathroom which has been recently freshened up with new tiles and vanity. On the other side of the home is the large carpeted living room bathed in natural light. The dining room is in a semi open plan with the kitchen which includes an electric oven, gas cooktop and dishwasher. Lastly is a great sized laundry with separate toilet. The home is kept cool with ducted evaporative air conditioning throughout and has an electric heater and solid fuel heater to keep the home toasty warm in the winter. The front yard is fully fenced and used as the main yard it has a side access and a good sized decked area for entertaining. On the other side of the doubler garage there is a second side access with a storage shed.
