The sound of silence – welcome home to this gorgeous modern Blackmore property, where you can enjoy the rural lifestyle in peaceful bliss! Tucked away in a relatively new estate, many of the blocks are yet to be built on so this property thrives in the quiet surrounds. Gated at street level with an electric gate, an all-weather driveway windows past irrigated tropical gardens through to the home where there is a carport parking bay for 2. Across the front of the home is the verandah with views over the rolling green lawns towards the in-ground spa in the distance with a ring of tropical gardens around the home. Inside is a spacious dining room adjacent to the kitchen with banks of built-in storage, electric cooktop, oven and a pantry. Modern grey tiles underfoot, and split air conditioning keep you cool, while large windows let in the gentle breezes and frame the gardens. The living room is super-sized with sliding doors at the far end and plenty of space for the family to relax and enjoy. Three bedrooms are generous in size, and all include a robe and tiled flooring plus split air conditioning. The bathroom is sleek and modern with a walk-in shower and vanity with storage plus a separate toilet and there is an internal laundry room as well as hallway linen / pantry. There is a solar bank in the paddock and all the gardens are reticulated so there isn't much to maintain. Set on a fully fenced 4.7 Ha (11 acres) of land with a good bore which pumps 3Lps, a water tank and septic. This property is perfectly set up for easy everyday living and embraces the outdoors. Only minutes to the Darwin River Tavern, Dundee for great fishing, Berry Springs Shops, schools, Wildlife Park and swimming reserve and so much more.
