The envy of all entertainers, this impressive four bedroom plus study, two bathroom freestanding home boasts an incredible four living zones across its luxuriously vast layout. An immediate statement of proportions with its double door entry to the notably wide hall, this exceptional home features a private study, a fabulous lounge and dining area, an extensive open plan living and dining area with contemporary kitchen (stainless steel appliances, walk in pantry); an inviting home theatre and an oversized upstairs retreat. The sumptuous main bedroom suite features two walk in robes and a luxe ensuite, while the three further spacious bedrooms (two with walk in robes, one with built in robes) are serviced by a substantial bathroom; plus there's a guest powder room and generous laundry with chute. Bi-fold doors open to an undercover entertaining area (mains gas for barbecue) overlooking a lush wrap around lawn in the privately hedged rear garden. At the efficiency forefront with its solar panels, solar hot water and water tank, this cutting-edge home is enhanced with Oak look floors, ducted heating/cooling, ceiling fans, a security system, intercom, double glazing, a garden shed and a double auto garage. In one of Carnegie's most exclusive streets on the brink of Packer Park and Lord Reserve with the new swimming pool under construction, walk to popular cafes including Left Field, the city tram, Glen Huntly Primary School, moments to Koornang Road shops and trains. Zoned for Glen Eira College.
