Showcasing extraordinary family luxury and high-quality craftsmanship, this exquisitely designed modern residence has been elevated to perfection with a new marble and stone kitchen (with concealed butler's pantry) and elegant stone bathrooms amongst extensive recent enhancements. At its heart, the centrepiece of the home is an expansive open-plan living and dining domain with a gas fireplace, while stacker doors provide a seamless transition through to the covered alfresco retreat with BBQ kitchen. The jewel in the crown of the elaborate outdoor haven is the solar-heated mineral pool, delightfully complemented by a newly enclosed poolhouse/gym (with rubber floors) offering another versatile standalone recreation or studio space.

- Breathtaking family home with luxurious space
- Outdoor haven with mineral pool & pool house
- Stunning marble kitchen and stone bathrooms
- Theatre room and extensive double-desk study
- Sensational Buckley Park location

Upstairs, the enviable master suite with striking feature panelling is one of four oversized bedrooms, three of which feature new walk-in robes with LED lighting, and three sleek, modern bathrooms with underfloor heating and heated towel rails. Freshly painted throughout, further recent upgrades include solid timber doors, new window furnishings, quality carpet, new landscaping (including sprinklers and lights on timer) and new electrical fittings and lights. Other standout highlights include a spacious home cinema room, a dedicated home office with extensive work spaces, under-slab and hydronic heating, reverse cycle air-conditioning and heating, Liebherr integrated fridge/freezer, Miele appliances (including coffee machine and steam oven), ducted vacuum and an extensive laundry. Plus back-to-base security and cameras, a fourth (external) bathroom, outdoor heating and fans, and a large double garage with a versatile adjacent storage or work space. Taking pride of place on leafy Nimmo Street just moments from Buckley Park, this superb family lifestyle location offers immediate proximity to Buckley Park College and is conveniently close to local buses, city trams and bustling Keilor Road.
