Located within 10kms of Gympie's CBD area is where you will find this very private and tucked away property, perfect for escaping the hustle and bustle of everyday city life! Make it your dream weekend block or why not build here and enjoy a peaceful family life, where you can grow your own veggies, become self-sufficient and let the kids have a few animals and enjoy the fresh countryside air. Set on a 19.53ha (48.25 acres) parcel of land, this property has access to an irrigation water licence and provides the best of both worlds with the open grazing areas perfect for the family hobby farm and the privately treed areas ensuring you're tucked away from the outside world. There are established mango and dragon fruit trees in place in the various orchards, with room to add your own or with just a little love and attention you will have them blossoming again in no time. The large agricultural building on the property can be used for agricultural purposes and although it is not council approved as a dwelling (usage subject to Council approval), includes multiple rooms and basic kitchen and bathroom facilities. PRIVATE INSPECTIONS WELCOME! Don't miss out on this rare opportunity, arrange your personal viewing now and contact Amy Brown on 0484 916 524.
