Elevated Panoramic Views & Carefree Contemporary Style

Showcasing exceptional architecture over three beautifully crafted levels, this exquisite contemporary haven in Blairgowrie offers timeless interiors, soaring ceilings and impeccable finishes with beautiful views across Port Phillip Bay to Arthurs Seat from its privileged elevated position, just a short walk to Cameron's Bight beach.

The main living area with high ceilings and light voids, overlooks the solar-heated pool through floor-to-ceiling windows and exudes welcome and warmth with a fireplace ideal for all seasons.

The light filled kitchen and dining area connect seamlessly to separate alfresco terraces designed for effortless entertaining, with the northern deck capturing the bay views and southern facing deck enjoying vistas over the sand dunes. A home office also enjoys balcony access and coastal views.

These idyllic panoramas continue upstairs to the main suite, encompassing an ensuite, walk-in robe, living zone and waterfront balcony. A further four bedrooms complete the accommodation with two additional bathrooms and a teenage retreat.

Discover this coastal masterpiece's delights within desirable proximity to bay and ocean beaches, Blairgowrie Yacht Squadron, Blairgowrie Village and Koonya General Store.
