Whether you are a growing family or active downsizer, this attractive single level home is certain to appeal thanks to its well-considered design, modern aesthetic and practical layout inside and out. Presenting style and functionality in equal measure, this home promises to impress even the most discerning Doreen buyers. Awash with modern low maintenance appeal, the single level design features high ceilings and contemporary styling throughout. The spacious open plan meals/family zone creates a central hub for family to gather, accompanied by a flexible lounge/media room and quality kitchen with stainless steel appliances, stone benchtops big island and walk-in pantry. All 4 bedrooms have robes (including the master with dual walk-in robes and ensuite), while a flexible study/5th bedroom, zoned family bathroom and bright laundry complete the design. A good-sized covered alfresco area links to the inviting rear garden for easy/indoor/outdoor connection, while other features include ducted heating, split system air conditioning and integrated double garage. With a park at the end of the street, this standout property is also moments from Laurimar shops, quality schools, regular bus and more.
