\$310,000

Build your new home on this corner block which is a short walk to the Nicholson River Reserve. With the right layout you could have your dream house positioned on the 1010sqm block so that it takes in the northern sun yet still have space for a shed with side access. The wide frontage and views to the river could be taken advantage of with the right design. All the essential amenities are available underground and are easily accessible. The estate has abundant walking tracks, the river reserve, is a short work to the rail trail, Nicholson Pub and General Store. This block could be your next step to your downsize home or your first home, as long as it becomes your home. Don't miss this opportunity to build in this quiet estate. Call us for details.
