We have unearthed a real gem here with this lovely property, tucked away on a large internal block (approx. 1886m<sup>2</sup>) in a nicely elevated position that offers the most stunning ocean views. The house is north facing and consists of 3 bedrooms, open living, modern kitchen with a large deck area, the perfect spot for entertaining and a bit of whale watching. Outside there is a large separate utility room, double carport, numerous out buildings, large lock up colorbond garage, a large paved area with under cover BBQ area and very tidy grounds. This piece of paradise is ideally located between Burnie and Penguin and is only a short drive to both towns, making for easy commuting and convenient living. This is a unique offering that presents itself to market and represents the best of coastal living. \*Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
