Located in the tranquil seaside village of Charlotte Cove, this furnished 4 bedroom home gives opportunity for those who are looking to stay in Tasmania without being locked into a long term lease. It is being offered with a flexible lease - that can range up to a deadline date of mid December 2024. This home is tastefully furnished, and faces the ocean with stunning water views. It boasts a delightful open-plan kitchen, living and dining area - beautiful timber flooring flows throughout this space, and the kitchen has modern appliances (including dishwasher). The living space of the home is kept comfortable by wood heater, and reverse cycle air conditioner. The balcony, which runs along the front of the home, gives room for entertaining guests or reading a book while listening to the ocean waves. There are two carpeted upstairs bedrooms, one with its own balcony. The upstairs bathroom has shower, vanity and toilet, while the downstairs bathroom also has shower, bath and vanity. Downstairs includes a separate toilet, and a space saver laundry. The property has a carport available - a garage located on the property is not included. A coastal walking track fronts the property toward the water. Turning left will lead to the popular sandy beach at Verona Sands, the right will lead you to the Charlotte's Cove jetty. The area offers many opportunities for adventure including excellent boating and fishing, kayaking, swimming, the nearby jetty and boat ramp in Charlotte Cove and much more. The property is not fenced, but a small outside dog may be considered. The property has access to tank water, but rubbish collection is not available at this address. The area is serviced by satellite NBN. The property is located within 1 hour of Hobart or a short 20 minute drive to the popular Cygnet township. Please note electricity is not included in the rental rate, and an account will need to be connected. To arrange a viewing, please do not hesitate to get in touch - inspections are currently by appointment only.
