On one of Matraville's best streets, this architecturally designed home incorporates solar passive design principles and bespoke finishes to offer a finely curated sanctuary just steps from the shores of Malabar Beach. Showcasing a raw industrial aesthetic, the home features polished concrete surfaces, bamboo and a central garden atrium that adds a welcome touch of Zen to the living spaces. Voluminous proportions and natural light are achieved throughout. Set a short walk to a juice bar and pizzeria at the end of the street, this stunning home is located just minutes to Malabar Public School, sports fields and Malabar's quaint coastal village.- Living with polished concrete floors and infused with light- Custom bamboo kitchen features concrete countertops- Alfresco setting with entertainer's deck fringed by bamboo- Four oversized bedrooms set upstairs, two include ensuites- Secluded master suite includes a walk-in robe and ensuite- Designer lighting offers a stunning night time transformation- Large garage, guest WC, ducted air, great storage, study nook
