A stone's throw from the heart of Centre Road's thriving cafe and shopping precinct, this 1930s Californian Bungalow combines convenience with charm in a substantial setting ideal for enhancing family living. Retaining the timeless allure of its era, this home radiates elegance with its original features, including leadlight windows, ornate fireplaces and decorative ceilings enhancing the formal living room and adjacent dining area. The vintage style of a more recent era seamlessly merges with modern amenities, where the family room/meals area harmonises with the stone kitchen flooded in natural light to create a space that caters to the desires of contemporary living. With ample space for children to enjoy playing outdoors, there's also a children's domain, positioned upstairs, which provides a versatile living space that easily adapts to the evolving needs of family life. Five sizable bedrooms are complemented by three bathrooms, including a master with ensuite and walk-in robe. A comprehensive list of features extends to a fitted home office, family-size laundry, heating and cooling throughout, ceiling fans, spa, large shed, and off-street parking for two cars, providing everything you need for modern family living. Located in the coveted Bentleigh West Primary School zone, with St Paul's Primary School and Our Lady of the Sacred Heart just around the corner, this home offers a location for families to thrive and a community to support with Bentleigh Railway Station and public transport options metres away, as well as excellent parklands nearby, sporting clubs, cafes, and shops.
