A refined expression of contemporary elegance and understated luxury just metres from the waters edge, this three bedroom, two bathroom residence's peerless dimensions provide an incomparable backdrop for a lavish coastal lifestyle. Privately positioned on a 4,025sqm allotment and curated over a single level, this state-of-the-art home designed by award-winning Architect Maria Gigney effortlessly captures the essence of relaxation with picturesque views across Spring Bay. Exuding an enduring coastal sophistication, the home's striking timberwork creates a captivating contrast against the lush native surroundings, where impeccable design blurs the boundaries between the interior and the natural environment. The floorplan is contained by bi-folding glass doors and encompasses an open plan kitchen/living/dining domain providing the perfect setting for year-round entertaining or simply relaxing by the open fire. A full-scale kitchen with integrated Liebherr fridge/freezer and quality appliances extends outdoors to both the rear undercover entertaining space and front timber deck, ideal for day to evening enjoyment. The impressive accommodation boasts a decadent private main suite with a deluxe ensuite featuring deep soaking bath and double shower, built-in robes and private deck. Additionally, two double bedrooms with built in robes and beautifully equipped bathroom are located at the southern end of the residence. Delight in the sustainability of partially irrigated gardens, well-maintained lawns and meticulously crafted garden spaces that envelop the home in serene tranquility. Additional highlights include a quaint timber art studio, Bose speaker system, generous separate double garage and electric gates for added security and privacy. Licensed for short-stay accommodation this residence is situated a short stroll to the Eastcoaster Resort via the waterfront walking track accessible at the front of the property and just minutes from the Orford Golf Course and local shops, services and cafes/restaurants provided by the townships of Orford and Triabunna.
