A large family home boasting multiple living spaces and a sprawling and private backyard with a lush, green outlook. This home is positioned perfectly in a quiet, family-friendly street and is ideal for a growing family. Brick construction, with picturesque green surrounds and a stunning bougainvillea draping across the front. Downstairs is the main living, an extensive kitchen with lots of storage and a dining area that opens to the entertainer's timber deck and the parklike backyard - a haven for kids and pets. The second floor offers another living space and the potential for a playroom, rumpus or casual dining area with its very own balcony and two generous bedrooms. The third floor features the main with a private and sunny terrace, an additional bedroom, bathroom and home office space. The split-level design maximises space, providing plenty of potential to seamlessly make this dream home suit your lifestyle. Why you'll love it -

- Limestone Brick construction, split-level design and move-in ready.
- Great family-friendly floorplan offering a bathroom on each level as well as multiple living/dining spaces and loads of storage throughout.
- All bedrooms are spacious and include built-in wardrobes.
