Nestled away from the busier spaces you'll find the homes four bedrooms with the master positioned at the rear of the home. This light filled space is the perfect retreat, also opening out to the rear patio this master bedroom includes a renovated ensuite with twin vanities, plus a walk around robe. The three remaining bedrooms all have built-in-ropes, the main bathroom with shower and bath, plus separate toilet. Not to forget the living spaces and main bedroom are air conditioned for year round comfort however, the homes elevated position is sure to capture the cooling south-easterly breezes where possible. You'll just love this homes rear entertaining area with a view across the open paddocks behind the property. Very generously sized you'll be able to use this space as you please and entertain the masses when needed. There is plenty of room to be enjoyed in the fully fenced backyard, plus with side access allowing you to store boats or caravans with ease and security.
