\$900,000

LONG LEASE AT \$1,900 PER WEEK!. A mixture of 250mm rammed earth blocks and galvanised corrugated Iron sets this Pilbara home apart from anything else you have seen north of the 26th parallel, designed to repel the scorching sun and capture the cooling breezes this property blends in with the beautifully rugged North West landscape. A wooden decking covered breezeway connects the double storey sleeping and living areas of this roomy architecturally designed Pilbara home, high ceilings with overhead fans and cleverly located louvers gives this a touch of green. • 2012 four by two rammed earth double storey house • Lease expires 18/09/2024 at \$1,900 per week • Best quality Daikin split system air conditioning throughout • Second living room area or easily convert to fifth bedroom • Huge open plan living, dining and kitchen area • 51m2 breezeway makes for a perfect entertaining area • 12m2 upstairs balcony with views over the salt operations • Secure cyclone shutters, louvre windows allow cooling breezes • Long overhanging eaves provides extended shade to walls • Huge bedrooms, polished concrete floors • Three large separate entertaining areas all with breezes • Perfect for family or company accommodation • Unique and purpose built for the Pilbara This property is located in the popular Pretty Pool area where fish and our famous mud crabs abound, a grassed community playground and BBQ area make this a fantastic Family orientated Location that's a little bit upmarket.
